FOR IMMEDIATE RELEASE  
12 P.M. EDT, April 28, 2008

### 2008 CIRCUITS ASSEMBLY SERVICE EXCELLENCE AWARDS

Chandler, AZ April, 28, 2008 -- South Bay Circuits, a leading Printed Circuit Board fabricator and Electronics Manufacturing Service provider, has been awarded three Circuits Assembly 2008 Service Excellence awards, in the categories of Dependability/Timely Delivery, Responsiveness, and Technology. Circuits Assembly magazine selected the award winners based on customer interviews from a wide variety of sources.

*"We are honored to receive these three Service Excellence Awards. Winning these awards truly means a lot to us here at South Bay Circuits. This just proves our commitment as a company to continuing the efforts in being the best supplier to our customers, as well as being an industry leader." said Randy Langston, V.P. Sales and Marketing. This year's Service Excellence Awards were presented at the 2008 APEX show in Las Vegas, Nevada.*

#### About South Bay Circuits

South Bay Circuits, founded in 1981 has grown into one of the industry's most diverse independent Printed Circuit Board manufacturers and Electronic Manufacturing Service providers to service today's demanding market place. With many years of experience in maintaining complex designs and developing a *Quality* reputation throughout the industry, South Bay Circuits strives to exceed the expectations of our customers' needs as a PCB and EMS supplier. Also, to complement the outstanding customer service, South Bay Circuits is an ISO 9001:2000 certified manufacturing supplier, registered through Underwriters Laboratories.
